

# Villa Palazzola: the perfect choice for your school group

## Rome's best kept secret

Wondering where to go for this year's school group? Villa Palazzola in the Alban Hills outside Rome is the perfect place for groups of up to 50 students, aged 12+.

Palazzola offers breathtaking views across Lake Albano to the Pope's summer residence at Castelgandolfo, Rome and the Mediterranean. "The best view in Italy", as Henry James describes it.

Palazzola has fine gardens, a 25 metre swimming pool (open May-Oct), tennis courts, a volley ball court as well as table tennis and snooker. Your group can enjoy some delightful woodland walks in the acres of natural forest surrounding the Villa and you can even bring a tasty picnic lunch.

We have a range of single and twin and triple rooms, a number of them are en suite and our half board package of solid meals a day is excellent value and will more than satisfy healthy teenage appetites. In summer you'll enjoy lunch and supper on the garden terrace. Tea and coffee are available without charge at all times

Palazzola is also ideal for themed groups such as school choirs, art, music or sports groups, for team-building, final year students or post-exam celebrations. It is also a great place for teachers to gather and meet!

You can also combine a few days of

recollection with a holiday in this idyllic spot. Mass is celebrated every Sunday and most weekdays in the Villa's 12<sup>th</sup>

century church of Our Lady of the Snows.

To explore the delights of Rome we can arrange special coach trips for a papal audience and visits to unforgettable sights such as the Coliseum, St Peter's, the Sistine Chapel, the Trevi Fountain, the Forum, the catacombs and the seaside. We can arrange transport, transfers and tour guides. We also have our own UK based ATOL agent who will book your flights.
