

### SMILELINES

Before you criticise somebody you should walk a mile in their shoes. That way, when you criticise them you are a mile off and what's more you have their shoes.

If you always tell the truth you don't have to remember a thing.

Written on a gravestone: Here lies an atheist. All dressed up and nowhere to go.

Remember you are unique. Just like everybody else.

The low esteem support group will meet on Monday at 7.0. Please use the back door.

On this great feast of Christmas Fr Turner and our deacons Kevin Hickey, Gib Harrison, and John Constable wish you every joy and blessing. Now is the time of year when families like to be together and to gather in the family home. Our Parish, too, is a family. You may well be reading this after having been away for some time from the parish family. We miss you and we would like to reassure you that you are always welcome to be back with us to make our family complete again.
